

LACEH&H MISSION STATEMENT

Working collectively to end hunger and homelessness through public education, technical assistance, public policy analysis, advocacy, organizing and community action

BRING LOS ANGELES HOME!

Support the Los Angeles Plan to End Homelessness.

LACEH&H urges our policy makers and civic leaders to continue to support:

- Homeless prevention
- Housing First!
- Equitable Community Economic Development – including living-wage jobs and development that benefits the entire community
- Community-based health, mental health, substance abuse, child care and transportation programs
- Protect homeless people's civil rights
- Full funding of 10-year plan
